

RED CROSS 'BLITZ' SET FOR WEDNESDAY

Wednesday, March 2, is Red Cross day in Torrance. And getting ready to engineer a blitz that means "comfort instead of suffering" are more than 500 volunteers who will begin promptly at 10 a.m. to ring every local doorbell in an all-out attempt to raise a "blitz quota" by the end of the day.

"We want everyone to hop on the 1955 Red Cross bandwagon," urged Albert Isen, area fund chairman, who declared that a quick and generous response to every volunteer will "make this blitz what we have planned it to be—a fast-running start towards exceeding our \$13,900 goal."

Kick-Off

While Mrs. Grover Whyte, residential chairman, will sound the kick-off note for the residential unit, Mrs. Murray Rudnick will deliver the opening pitch for the business division volunteers who will put the "blitz" plan into effect on the same day.

In order that Torrance may help the American Red Cross continue its vital aid to people in distress and provide necessary help to the many servicemen in all parts of the world, Isen said that all participating groups in the local fund organization will seek a goal of \$13,900 in the course of its March, 1955 campaign.

National Emergencies

"In addition to its vast health and safety education programs, and its nation wide network of daily emergency services, the Red Cross always must keep itself in readiness to meet great national emergencies, such as might result from enemy attack—something that in the light of international developments—might happen anytime," declared the chairman, in explaining the new accelerated form of campaign action geared to ultimate and complete success.

Slated to assist Mrs. Whyte in directing the local blitz, which will be on the thirteenth to take

HEARING SET IN SHOOTING

Madline Taylor, 40, who allegedly fired a shot at her lover last week, will come up for a hearing in Long Beach Superior court March 3, it was reported this week.

The woman is charged with assault with a deadly weapon for allegedly firing a bullet that narrowly missed Marvin MacArthur, of Harbor City, near the local Moose Lodge on February 13.

Police say she admitted firing a revolver at MacArthur because he allegedly backed out on a promise to marry her.
